Students' Feedback

Learner Name: Mohit Yadav

Diploma: Electronic and communication (UN)

Institute Name: Seth Jai Prakash Polytechnic, Damla

Getting introduced to an e-learning platform with no cost was something new for Mohit as well as for his classmates. Mohit got introduced to IBM skillsbuild platform via virtual sessions conducted by CSRBOX Team. According to him, the session was well explained with well-structured concepts. Mohit has spent finished more than 20 courses with 70 hours of learning.

“I liked the fact that courses over IBM skillsbuild platform comes with real time case studies and practical examples I could relate to and also has exercises and videos. Great platform would recommend to every learner who seek for upskilling them”. - Mohit Yadav

Students' Feedback

Learner Name: Simran Rana

Diploma:- Mechanical Engineering 2nd year

Institute name :- Govt. Polytechnic, Narnaul

“Job Readiness is a great workshop that I have come across. I became aware of many insightful learning and got a guidance on to proceed with the placements. I have learnt from basics like, how to prepare for the interviews, writing a resume, etc. Workshop made me introspect and research on many things at the same time. We were also introduced to IBM skillsbuild platform where a user can get free lifetime access to learn numerous skills and can take up courses related to professional skills, technical skills and essential skills. Would surely recommend it to all the aspirants.”

Designation: Lecturer in Mechanical Engineering

College Name: CMRA Government Polytechnic Sanghi Dist., Rohtak

The program conducted by SkillsBuild at our institute was wonderful. All students are attending the courses on regular basis and getting certificates for the same.

The students are gaining a lot from this platform in the field of technology as well as personality development. Definitely students are exploring various other fields in addition to their own engineering stream. This is a very good initiative by IBM and CSRBOX for the overall development of students of all fields. Students are gaining a lot and developing their skill and thereby widening their career horizons.
